

# ClearVista Semi Frameless Alu/Glass Balustrading Systems

## Product Features

- This semi-frameless Balustrade system offers flexibility with a range of designs and combinations to meet various fixing applications.
- The strong modern design features square posts with surface-mounted, face fixed or grouted options of installation available.
- Suits internal and external Balustrades, Stairs, Pool Fences and Windbreaks.
- Custom Powder Coated colours are available to match your existing colour schemes or aluminium joinery.
- Options are available with or without handrails to maximise views or for any added safety concerns.
- Suits 12mm Toughened and Laminated Safety Glass. Pocket glazed for easy installation and maintenance. For specific glass and layout detail please refer to Technical section of our website.

# ClearVista Semi Frameless Alu/Glass Balustrading Systems

## Balustrading

### Surface Mounted or Face Fixed, Semi-Frameless, laminated glass

- Retain the good looks of Frameless Glass Balustrading with the added security of aluminium supports.
- Available ex-stock in standard posts with adjustment for falls or custom manufactured full height.
- Custom sizes can be fabricated in-house as required, to meet any specific design criteria.

## Pool Fencing

### Surface Mounted or Face Fixed, Semi-Frameless, 12mm toughened

- Full height posts or semi-frameless posts can be used to achieve 1200mm high.
- Face fixed posts or surface mounted posts can be used.
- Available ex-stock in standard posts with adjustment for falls.
- Custom sizes can be fabricated in-house, as required, to meet any specific design criteria.

## Balustrading

### Surface Mounted or Face Fixed, with Handrail, 12mm toughened

- All the features of surface mounted posts with the added security of an Oval Handrail section to provide safety and support.
- Available ex-stock in standard posts with adjustment for falls.
- The Oval Handrail combines with the posts for a soft, modern design.
- Custom sizes can be fabricated in-house, as required, to meet any specific design criteria.
- Option of Oval or Square Handrail.

## Windbreaks and Privacy Screens

### Surface Mounted or Face Fixed, Semi Frameless

- Provide privacy from neighbours through full height posts and combinations of toughened safety glass.
- Various options, up to 1800mm high, are available for providing Windbreaks when protection from the elements is needed.
- Custom sizes can be manufactured in-house, as required, to meet any specific design criteria.
